Problem-Based Learning:
Resources for Involving
Your Students in Authentic
Science Experiences

Tuesday, January 17th, 2017

1:00pm-4:00pm

Patriots Point Naval and Maritime Museum

Don't miss out on this opportunity to explore PBL resources for your science classroom! Learn how to incorporate specific activities into a variety of lessons that tie directly into state standards from Patriots Point's Lowcountry Algal Monitoring Program for Students, Salinity Sleuths! and Earth Echo International's Worldwide Water Monitoring Challenge. Participants will also learn the latest about becoming a part of the regional Science Fair. Content applicable for elementary through high school teachers.

Speakers:

Rodney Moore, Charleston County School District

Cyndi Hall, Lowcountry Hall of Science and Math, CoFC

Hannah Giddens, Patriots Point Naval and Maritime Museum

Dr. Erik Sotka, College of Charleston

Sarah Piwinski, Earth Echo

Cost: Free! Beverages and Snacks Provided

Water Monitoring Kits Included for the first 25 to register!
